22	EXPLANATION
----	-------------

23 The inclusion of this explanation does not constitute agreement with  
24 the explanation's substance by the members of the general assembly.

25 This bill repeals Code chapter 455C of the 2016 Iowa Code,  
26 titled "Beverage Containers Control". Code chapter 455C  
27 provides for a 5 cent refund value paid by redemption centers  
28 to consumers upon the return of a beverage container sold in  
29 this state. In addition, the bill removes numerous references  
30 to Code chapter 455C throughout the Code, including a provision  
31 creating a simple misdemeanor penalty for distributors that  
32 sell beverage containers connected to other beverage containers  
33 by a nonbiodegradable or nonphotodegradable device.
